MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Communications Support of the TALENT System at ACIC, St. Louis, Mo.

1. Reference is made to our Memorandum of 7 May 1958, setting forth a requirement for the extension of the TALENT control system to the Aeronautical Chart & Information Center, St. Louis, Missouri, and your approving Memorandum of 19 May 1958.

2. The USAF has recently activated a Special Security Office at Scott Air Force Base near St. Louis, Missouri. The Commander of the Aeronautical Chart & Information Center has justified a requirement for utilizing this SSO Communications Center for establishing a secure and isolated electrical communications net with Headquarters USAF for a purpose of passing expedite TALENT traffic. The provision of a USAF isolated crypto system to the Special Security Officer at Scott AFB and the clearance of four (4) Special Security Office communications personnel to operate the communications gear within the Aeronautical Chart & Information Center control system is required for secure functioning. Further extension of the TALENT system in the USAF is not involved.

3. Request approval of TALENT clearances for four (4) Special Security Office Communicators to provide for a secure transmission and control of TALENT messages between Headquarters USAF and Commander, Aeronautical Chart & Information Center.
